Re: **I/M/O AMOS W. STULTS, JR., V.M.D.**
Complaint Number: 74585

Offer of Settlement In Lieu of Disciplinary Proceeding

Dear Dr. Stults:

This letter is to advise you that the New Jersey State Board of Veterinary Medical Examiners (hereinafter referred to as the "Board") has had an opportunity to review a complaint it received concerning the professional services you rendered to "Chico" Rejterada, then an eight (8) year old Chihuahua, at the Hopewell Veterinary Group ("Hospital"), in December 2010.

Specifically, the information reviewed by the Board included, but is not limited to, the following documents:

1. A complaint filed by Irene Rejterada with the Board on or about December 28, 2010, as well as any and all attachments and exhibits;
2. A correspondence from Amos W. Stults, D.V.M., as well as any and all attachments and exhibits; and
3. Medical records of "Chico" Rejterada.

Upon review of all available information, the Board has found that probable cause exists to support a finding that you violated, as well as failed to comply with, the statutes governing the practice of veterinary medicine and the accompanying regulations, in violation of N.J.S.A. 45:1-21(h), in that you failed to maintain adequate medical records contrary to N.J.A.C. 13:44-4.9(a).

The Board's review into this matter revealed that Chico was presented to the Hospital as a walk on December 4, 2010. The dog needed routine vaccinations and was not deemed to be an emergency needing emergent care. The owner was denied service as a result of an altercation with Hospital staff over an Internet pharmacy prescription in or about 2009. Ms. R. felt the denial of services was inappropriate and asked to speak to you. You did not speak personally to the owner but instructed staff to advise Ms. R. and confirm that future service would be denied.

The Board, following its review of the submitted documents, has concluded that there is insufficient evidence to initiate any formal disciplinary action against you relative to the veterinary care rendered to Chico. However, the Board, in its review of the matter, had the opportunity to review the patient records you submitted for review. The Board has concluded that you violated its patient record regulation by failing to create and maintain medical records for Chico, contrary to N.J.S.A. 45:1-21(h) and N.J.A.C. 13:44-4.9(a).

Specifically, the Board found that your records failed to contain important and required information relative to the veterinary services provided to Chico as required by N.J.A.C. 13:44-4.9(a). The Board concluded that the records did not contain the following required information: 1) a history of the presenting problem; 2) all pertinent symptoms and signs observed, such as the notation of physical examination findings; 3) Conclusions and/or diagnosis; and 4) Such other notes or information so as to provide a clear statement of the patient's condition and the veterinary evaluation and response, namely, the records submitted do not indicate any of the veterinary decisions that you detail in your January 20, 2011 letter to the Board. The Board has concluded that your failure to include the above requisite information in your patient records constitutes a violation of N.J.A.C. 13:44-4.9(a) 5, 6, 8, and 10.

At this juncture, the Board has determined that the above violation is sufficient to warrant the initiation of formal disciplinary proceedings against you. Notwithstanding that determination, however, the Board has determined that it will first offer you an opportunity to settle this matter, and thereby avoid the initiation of disciplinary proceedings, should you consent to:

1. Cease and desist from violating the mandates of N.J.S.A. 45:1-21(h), specifically N.J.A.C. 13:44 4.9(a), by maintaining records for your patients that accurately reflect the treatment or services you rendered;

2. Pay a civil penalty in the aggregate amount of **\$1,000.00**, to be paid immediately upon your signing of the acknowledgment at the bottom of this letter, for your violation of N.J.S.A. 45:1-21(h) and the record keeping regulation, N.J.A.C. 13:44-4.9(a).

If you are willing to settle this matter on the offered settlement terms, you may do so by signing the acknowledgment at the bottom of this letter, and returning it to the Board office. In such event, this letter will be a matter of public record.

In the event you are unwilling to settle this matter on the offered terms, it will be referred to the Attorney General's office for the initiation of appropriate disciplinary action. In such event, you will be afforded an opportunity to defend against the alleged violations. If an evidentiary hearing is deemed warranted, the Board will either conduct that hearing at a date and time to be scheduled or refer the matter to the Office of Administrative Law. You are advised, however, that in the event formal charges are filed, the Board may assess civil penalties in an amount greater than that herein offered in settlement should any charges against you be sustained. Additionally, the Board may, if the facts are found to so warrant, enter an order requiring you to reimburse certain monies and/or requiring you to pay costs incurred by the Board. Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact Deputy Attorney General Olga E. Bradford, who may be reached at (973) 648-3696.

If you elect to settle this matter presently, you should sign the acknowledgment at the bottom of this letter and return it to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer will be withdrawn, and the matter will be referred to the Attorney General's Office for the initiation of the appropriate disciplinary action.
